2009

Results & Awards

The move to our new home water at Underbank meant that the start of the season was severely delayed. As a consequence, some of the usual Race Series which would have been sailed in the early part of the year never took place. The two Series which are usually contested throughout the year, the Pursuit and Major would have been so curtailed that they were hardly worth starting.

On the plus side, there were lots of trophies to go round at the Laying Up Supper!

Here's looking forward to a full and complete programme of racing next year.

Evelyn Cauwood

Commodore's Rosebowl

Awarded in recognition of the sterling work that Evelyn has put into supporting the club over many years. Although she no longer sails she probably attends more often than most! Her work in running the shop and looking after the domestic side of things is not very glamorous but it is very important and is certainly highly valued. Thank you Evelyn.
