Roy is in the process of organising the next

STREAKER OPEN

Which is booked for Saturday 15th May 2010

Full details later

2009 has been an unsettling year for the older members of South Yorkshire Sailing Club. We have left the tried and tested familiar surroundings of Morehall and moved to the unfamiliar at Underbank. But now that we are finding our sea legs and have adapted some of our practices to fit the new situation, are settling in quite well.

The move was forced on us because of loss of members and the necessity for a new Clubhouse. Because of this, 2010 signals the beginning of a whole new era and it is almost like starting a new Club.

We welcome all those new members that have already come along and hope they will all join us at our end of season regular events, but **please note the new dates for some of them**. We also hope that some will agree to actively help with the running of the Club; fresh minds are desperately needed!

Successful continuation of the Club depends on building up the membership and to that end, the Committee are planning events to draw attention to ourselves.

And the new members are invited to get actively involved with this.
